HONORING JUDGES THOMAS AND LINDA TEODOSIO FOR RECEIVING THE 2012 BISHOP COSGROVE JUSTICE AWARD

### HON. BETTY SUTTON

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Friday, December 7, 2012*

Ms. SUTTON. Mr. Speaker, I rise today to recognize and congratulate two outstanding public servants who have dedicated their lives to serving others and working for social justice in our community. Judges Thomas and Linda Teodosio will receive the 2012 Bishop Cosgrove Justice Award, which will be presented by the Catholic Commission of Summit County. This award is bestowed upon exemplary individuals and organizations that demonstrate a strong commitment to social justice in accordance with biblical values.

I have known the Teodosio family for many years and I am honored to call them my friends. Over the years, they have so generously given of their time, talent, and resources to numerous organizations in our community. What strikes me the most in this moment is how the Teodosios have chosen to use tragedy to make a positive impact. I will never forget where I was the day I learned of that terrible accident that took Andrea's life back in February 2011. Andrea Rose Teodosio was a beautiful woman whose kindness enveloped you like a warm ray of light. Her smile always beamed brightly.

Andrea lived her life with compassion and selflessness. She always looked for opportunities to help others, and would do so in a manner that preserved their dignity. Her mother, Linda, recounted a story of how Andrea at age 16 asked if she could give their pizza to a homeless man. Andrea tapped the man on the shoulder and said, "My mom and I have all these packages and can't carry this pizza. Do you mind taking it?"

Andrea helped others, but never elevated herself in the process. She treated people with dignity.

Today, Andrea's memory and legacy lives on through the Andrea Rose Teodosio Foundation, which was established by Judges Thomas and Linda Teodosio and is administered by their son Christopher. Now, the Andrea Rose Foundation has already made a significant impact on the lives of so many. This organization works to demonstrate the values that Andrea held so dear—assisting the underprivileged and the elderly, actively addressing environmental issues, and promoting community service and education.

The Teodosio Family's service to our community is truly commendable and their exam-

ple will continue to inspire others to give of their time, talent, and resources to those who are in need. Judges Tom and Linda Teodosio deserve our recognition and appreciation for their diligent work to bring the Andrea Rose Teodosio Foundation to fruition. I congratulate them both for receiving the 2012 Bishop Cosgrove Justice Award and thank them for all that they do to make our community stronger.

HONORING THE 80TH ANNIVERSARY OF THE SAINT PAUL PORT AUTHORITY

### HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Friday, December 7, 2012*

Ms. McCOLLUM. Mr. Speaker, I rise today to honor the 80th anniversary of the Saint Paul Port Authority. For decades, the Port Authority has successfully managed the Port of Saint Paul, Minnesota, at the head of navigation on America's greatest river. Additionally, this regional industrial redevelopment organization has redeveloped major tracts of polluted industrial land in Saint Paul, Minnesota, resulting in more than \$150 million of private investment, new job creation and tax revenue for the metropolitan area.

The Saint Paul Port Authority was created by the Minnesota Legislature in the early 1930s as a direct result of Congress' decision to dredge a nine-foot channel in the Mississippi River from Saint Paul to New Orleans. As the manager of the Saint Paul Harbor, the Port Authority continues to foster a thriving commodities transportation network that has created thousands of jobs, increased the city's population, and has made St. Paul a major hub for agricultural and commodity shipping.

Over time, the Saint Paul Port Authority's role was expanded to include revitalization. Today, the Saint Paul Port Authority specializes in restoring polluted and vacant properties, remediating Brownfields, and financing small and large business ventures. Through their knowledge, expertise, and ability to partner with key players, the Port Authority has become a major economic development force in our city, creating 22 business centers, and generating more than \$33 million a year in real estate and property tax revenue.

As noted in the June 26, 2012, New York Times article titled, "Reconciling History and Hope at 3M's Old Home," the Saint Paul Port Authority's most recent development of the 61-acre abandoned 3M manufacturing site is a redevelopment success story and a testimony to their expertise. Because of the Port Authority's work, the old 3M home has been reborn into a private commercial development, committed to employing local residents with good-paying jobs and an eye towards preserving the local history that complements the city's unique and diverse East side neighborhoods.

Mr. Speaker, I am pleased to submit this statement for the RECORD commemorating the Saint Paul Port Authority's 80th anniversary, and commending its vital role in promoting economic development and fostering growth in

the Saint Paul areas for the past eight decades.

CONGRATULATING THE KING OF THAILAND ON HIS 85TH BIRTHDAY

### HON. HOWARD COBLE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Friday, December 7, 2012*

Mr. COBLE. Mr. Speaker, on December 5, 2012, His Majesty King Bhumibol Adulyadej of Thailand celebrated his 85th birthday. I would like to take this opportunity to express my well wishes to him and join the people of Thailand in commemorating this important occasion.

King Bhumibol acceded to the throne in Thailand on June 9, 1946. During his reign, Thailand has transformed into a prosperous, modern state, with a strong and growing economy. Thailand today boasts a robust agricultural sector, modernized manufacturing and services industries, and is increasingly becoming an influential participant in the global marketplace. King Bhumibol has played an instrumental leadership role in moving Thailand in this modernizing direction.

King Bhumibol has used his position to advocate for causes such as sustainable, human-centered development. Since the early 1950s, he has helped Thailand modernize by working hard to address critical development issues facing people, particularly those living in remote, rural areas. He travelled to virtually all corners of the country to meet and learn about people's problems and work with them on solutions. In addition to key projects in areas, such as public health, education, environmental preservation, and reforestation, King Bhumibol has specifically been focused on improving agricultural development, applying scientific knowledge to initiate development projects that have helped improve Thailand's agricultural output, and increase the food security and welfare of the Thai people, thereby contributing to the strength of the country's agricultural exports.

His hard work on behalf of the Thai people has not only earned him their love and respect, but the respect of leaders throughout the region and the world.

The end of this year brings much to celebrate. As we celebrate the King's birthday, we look forward to next year's marking the 180th anniversary of the U.S.-Thailand Treaty Alliance. Thailand was the United States first friend in the region and has remained a loyal ally for almost 200 years. President Obama recognized the importance of this partnership in his visit to Thailand in November. After his audience with King Bhumibol, he stated that the King is "a leader of wisdom and dignity who embodies the identity and unity of this nation."

On behalf of the citizens of the Sixth District of North Carolina, we are pleased to congratulate our great friend His Majesty King Bhumibol of Thailand, and on behalf of the people of the United States of America wish him the happiest of 85th birthdays.
